

Parent / Player Fundraiser & Volunteer Participation Agreement

Fundraiser Participation

Fundraising is essential to our program, and every player/parent must participate in fundraising events. In addition to registration costs, Baldwin Hills Fastpitch Softball relies on the funds generated by our annual fundraisers to help us sustain operational costs. Money earned from these events goes directly to costs associated with Umpire fee, field, equipment, training, insurance and the overall running of the Baldwin Hills Fastpitch Softball Association.

The Baldwin Hills Fastpitch Board members shall determine the two major fundraisers and will communicate the fundraisers during the season.

Parents may choose to opt out of these fundraisers by paying the buyout fee of \$75 per fundraiser per participant. The first payment is due at registration and we will collect payment for any other fundraiser as the season moves progresses. Usually there are two fundraisers per year.

Players and parents are encouraged to participate in the dining out fundraisers that will also bring in additional funds for Baldwin Hills Fastpitch Softball. However, these dining out fundraisers are not mandatory.

Volunteer Participation

Parents are required to volunteer for a minimum of 6 hours per participant during the season. Volunteer positions will be available for sign-ups before or at the start of the season. Volunteer positions / duties are listed below.

Parents may choose to opt out of their volunteer time by paying the buyout fee of \$75 per participant.

By signing this agreement, Players and Parents are agreeing to participate in the two (2) mandatory fundraisers and fulfill their 6-hours of volunteer time during the season (or buyout of participation). Failure to participate or buy-out may result in your child's participation eligibility.
